IO3 - Training package for social and green NGO leadership

❖ A bespoke, modular (5 days) leadership training course that specifically addresses the development of management and entrepreneurial skills for the NGO sector…

❖ While the full list of topics to be addressed will emerge from the research conducted it is anticipated that, at a very minimum, the proposed new training course will include all the normal leadership and entrepreneurship development modules like; (1) introducing leadership; (2) introducing green and social entrepreneurship; (3) creative thinking, initiative, self-confidence; (4) idea generation and evaluation; (5) testing and prototyping the idea; (6) communications and outreach; (7) funding mechanisms.

IO4 - Online platform and observatory

1) To present role models for NGO leadership;

2) To provide instant access to a library of information resources;

3) To provide a range of on-line environments and forums where NGO leaders/staff members can exchange ideas and practices with their peers in partner countries, collaborate on potential joint ventures and support each other;

4) To demonstrate the powerful impact that civic action may present in contributing locally or regionally for solving major environmental issues, while at the same time alleviating social issues;

5) The observatory will feed powerful evidence-based content for the Policy Paper (IO8).

IO5 - Engagement toolkit

❖ This output will then be a comprehensive engagement toolkit that will mostly support and inform field work to engage potential new NGO leaders to take part of the immersion programme and the training course; existing NGO leaders and staff members to enlist to the project's online platform and observatory and to be willing to host the immersion programme.

❖ The engagement toolkit will comprise a variety of means specifically tailored to different and very specific audiences identified during the research phase, and may include short videos (for portable devices), specific brochures, booklets or leaflets, scrapbooks and photographs, info graphics, audiovisual testimonials, among others; being different in approach, design and contents from the products generated for the general dissemination of the project.

Logo - reminder

❖ Just some reminders:

   ❖ The EU logo has changed. Change it in all presentations and files you created.

      The NA will only accept files with the new logo:

      Please use only the new one which we send around and which you can find on the NEXTCloud

   ❖ Please, check if you send your institutional / organizational logo in a good resolution to UPB

      and to Melissa from AC. Thanks.
