The green economy can be seen as one an alternative vision for growth, where one can create growth and Improvements in people's lives in ways consistent with sustainable development.

"MKO is a part of civil society and is an active and an important voice, emphasizing social activities and our quest for a greener world by promoting Green entrepreneurship. "

(Tsolakos Christos, SCE of Sikyonion / NGO EPEK, Greece)

“With the“ Corinthian experience ”we offer
experiential experiences
in the field of alternative tourism in Corinth for the
purpose of
sustainable and green growth in our area, so we
can protect the environment and increase
employment. ”

(Skitzi Ourania, Korinthia experience / Tourix, Greece)
