

Impact of Activist's on the society

NGEnvironment

Be the difference

ngenvironment-project.eu

[ngenvironment1](https://twitter.com/ngenvironment1)

Activist contributing to the climate change, making a difference and restructure the society mindset and rules.

Activism is transmitted to all people, regardless of age or gender.

They show how to change the world, affect the attitude of the society and the willingness to change something.

If you want to contribute, “GET UP”.

Raise your voice and contribute your part, whether as an NGO or activist.

Every action counts, no matter how big or small it seems.

NGEnvironment

Fridays for Future has hit a nerve, because the courage was there to be different. Young people in particular are standing in the front and many young women in particular are at the top.

Christopher Stange, Future for Friday Activist
(Germany)

NGEnvironment

NGOs play an increasingly important role, especially in times of climate change and environmental pollution. NGOs are more important in the green sector than ever before, and NGOs should be perceived more intensively by society.

Henning Schwarze, Chief Content Officer by LivingCon (Germany)
