

**NGEnvironment  
Partner Meeting online  
24<sup>th</sup> of November 2020**

**Project Nummer: 2018-1-DE02-KA204-005014**

# NGEnvironment

Foster European Active Citizenship and Sustainability  
Through Ecological Thinking by NGOs

**IO2 and IO3 training testing Permacultura Cantabria**

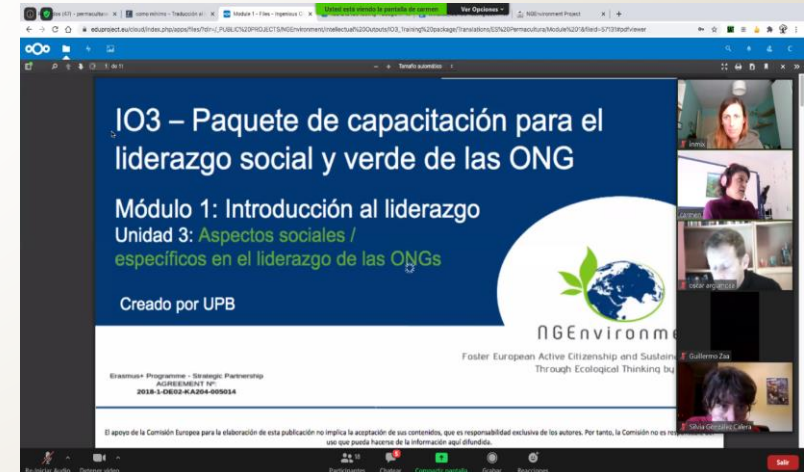

# IO2 TESTING

- 5/10/2020 via ZOOM
- 10 people from NGOs
- In addition, 10 adult trainers from Pemacultura Cantabria were attending the session
- The 5 modules were tested
- Finally, a brief introduction to module 3 was made

The screenshots show the following content:

- Slide 1:** IO2 – Formación pedagógica para miembros de ONGs. Módulo 1 – Entendiendo las Organizaciones No-Gubernamentales. Parte 1: ¿Qué es una ONG? Creado por UPB. Includes the NGEEnvironment logo and Erasmus+ logo.
- Slide 2:** Tarea 1- Introducción. Por favor, piensa una definición de ONG y responde a estas preguntas en el taller: 1) ¿Qué son las ONGs? 2) ¿Puedes nombrar alguna ONG? 3) ¿Conoces ONGs ecologistas?
- Slide 3:** Agenda. 1. Parte: ¿Qué es una ONG?
  - 1.1 Megatendencias y fuerzas motrices
  - 1.2 Motores del pensamiento ecológico en las ONGs
  - 1.3 Características de las ONGs ecologistas
- Slide 4:** 1.3 Características de las ONGs ecologistas.
  - ❖ Legalidad
    - Las ONGs respetan la legalidad y actúan sin violencia
  - ❖ Situación jurídica
    - La forma jurídica de las ONGs varía de un país a otro, no hay un criterio internacional uniforme.

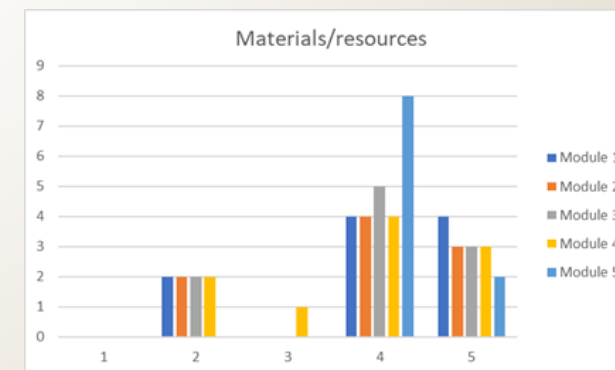

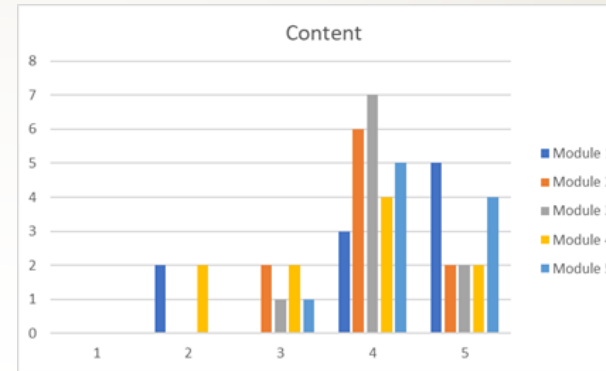

The screenshot shows a Zoom meeting in progress. The main slide displayed is:

**IO3 – Paquete de capacitación para el liderazgo social y verde de las ONG**  
**Módulo 1: Introducción al liderazgo**  
**Unidad 3: Aspectos sociales / específicos en el liderazgo de las ONGs**  
 Creado por UPB

The slide also features the NGEEnvironment logo and Erasmus+ logo. The Zoom interface shows several participants in a grid view on the right side.

# IO2 evaluation questionnaires results

- 10 people answered the questionnaires.
- **Content:** most people agree or totally agree, although there were 2 people who disagreed with the contents of module 1 and module 4.
- **Duration** of the module, most people agree or totally agree with the duration.
- **Delivery method:** most people think that online method is OK.
- **Explanations and support** provided by the trainers: most participants agreed and quite a lot totally agreed.
- **Provided materials and resources:** most participants said that they agree or totally agree with the materials. There are two participants that didn't agreed with materials from module 1 to 4, and 8 of them totally agreed with the materials for module 5

## IO2 Suggestions of participants

- Work a little bit more in Module 5 and Module 3 (the most difficult to apply) and less in module 1.
- The contents are too theoretical, some people miss other methodologies for applying the contents, like gaming.
- Duration of some modules is too long (e.g. module 1)

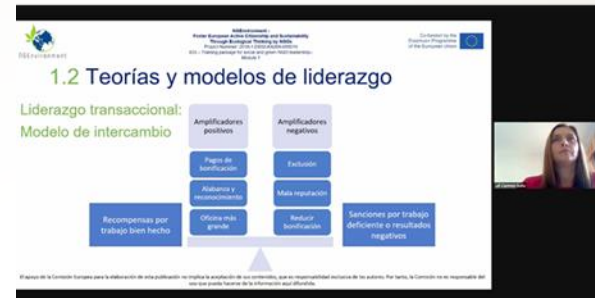

### **Which was the most relevant information you received during the training?**

- The role of NGOs and its importance to enhance the social integration of people and to engage them
- Business models
- How to improve new skills useful in the work and its importance to work in a NGO

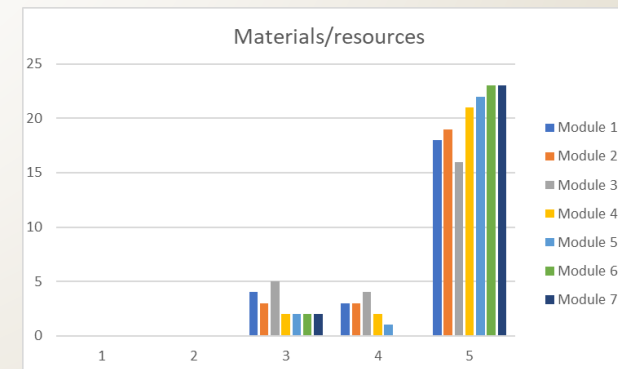

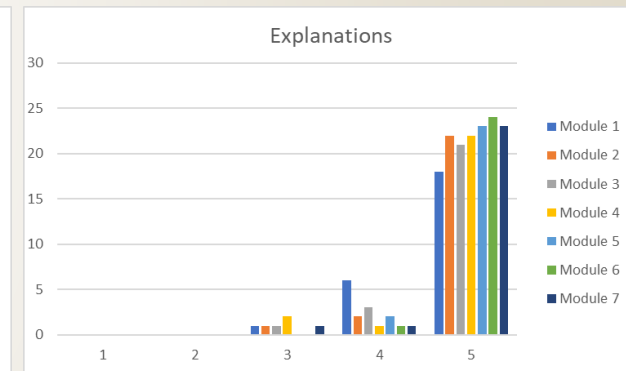

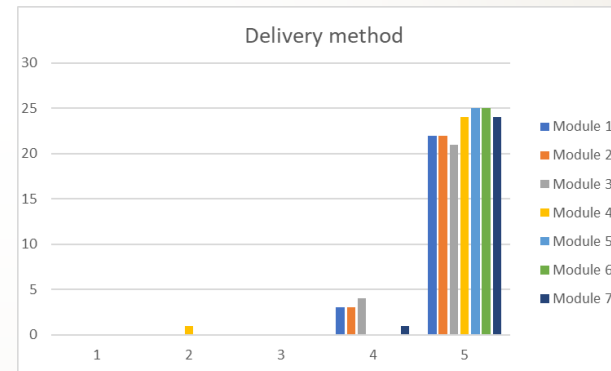

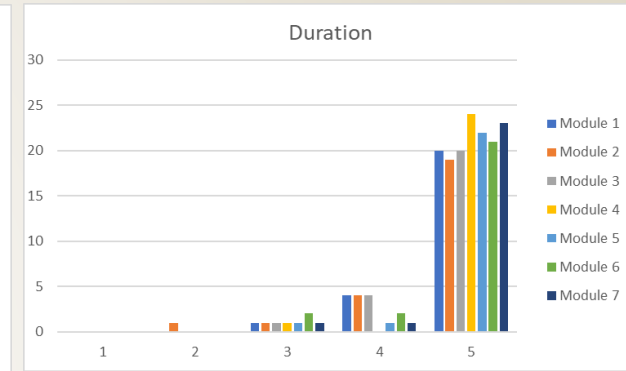

# IO3 TESTING

- 9/11/2020 via ZOOM
- 20 people: volunteers, people interested in creating NGO and NGO staff.
- 5 people from Permacultura Cantabria (to take advantage of the training)
- The 7 modules were tested

# IO3 evaluation questionnaires results

- 25 people answered the questionnaires.
- **Content:** most people agree or totally agree.
- **Duration** of the module: most people totally agree with the duration.
- **Delivery method:** most people think that online method is OK.
- **Explanations and support** provided by the trainers: most participants totally agreed.
- **Provided materials and resources:** most participants said that they totally agree with the materials.

## IO3 Suggestions of participants

- Use different kind of materials more dynamic and more suitable for the reality, more participatory activities
- Improving the duration of some modules
- Improve content and materials of module 7 (funding mechanisms)

### **Answers to the question “Which was the most relevant information you received during the training?”**

- The funding mechanism\*\*\*\*
- The communication methods\*\*\*
- Information based in leadership and how to manage it in the NGO \*\*\*
- Canvas business model\*\*
- Everything about entrepreneurship\*\*
