Feedback

Feedback

The testing activity was evaluated between 4 and 5.

All modules were evaluated between 4 and 5.

Participants' opinion:

- A very useful package
- The training was based on interaction, friendship environment and active participation
- Well-structured materials
- The online organization was highly appreciated

Suggestions

- The materials may include information about the development and finance the small NGOs
- Accessing EU Funds by small NGOs

Practical application

Feedback

Feedback

The testing activity was evaluated between 4 and 5.

All modules were evaluated between 4 and 5.

Participants' opinion:

- Useful information about foundation and funding of an NGO
- Clear presentation and efficient organisation
- Useful content
- The practical activities are very intuitive and recap the content
- Varied information
- Well-structured content

Suggestions

- A deeper insight of the business organization aspects
- Some information is too technical and it makes it difficult to understand

Proof of the activity

I03 – Training package for social and green NGO leadership

As proof of the online testing activity, we uploaded on cloud:

- Agenda
- List of participants
- Declaration of attendance
- Attending participants and screenshots

Thank you for your attention!
