IO2 – Introduction to Pedagogy for NGO staff

- ❖ Within this induction training, which will mostly be in a format of e-learning, based on electronic resources, existing NGO staff members will improve their pedagogical skills regarding communication, openness to answer questions, pedagogical methods, risk management and conflict resolution, among others.

IO3 – Training package for social and green NGO leadership

- ❖ A bespoke, modular (5 days) leadership training course that specifically addresses the development of management and entrepreneurial skills for the NGO sector.
