IO3 - Training package for social and green NGO leadership

- ❖ A bespoke, modular (5 days) leadership training course that specifically addresses the development of management and entrepreneurial skills for the NGO sector...
- ❖ While the full list of topics to be addressed will emerge from the research conducted it is anticipated that, at a very minimum, the proposed new training course will include all the normal leadership and entrepreneurship development modules like; (1) introducing leadership; (2) introducing green and social entrepreneurship; (3) creative thinking, initiative, self-confidence; (4) idea generation and evaluation; (5) testing and prototyping the idea; (6) communications and outreach; (7) funding mechanisms.

Modules

Let's have a look at the
information paper on IO3!
