Part 2: What is initiative ?

Initiative is the ability to be resourceful and work without always being told what to do.

It requires resilience and determination.

People who show initiative demonstrate they can think for themselves and take action when necessary.

It means using your head, and having the drive to achieve.

2.1 Initiative in workplace

When you show initiative:

- you do things without being told;
 - you find out what you need to know;
 - you keep going when things get tough;
 - you spot and take advantage of opportunities that others pass by.
- You act, instead of reacting, at work.
